Red Lion 'Little Lions' Wrestling is committed to building champions on and off the mat. Wrestlers are paired with partners equal in experience, age, and weight. We offer our young wrestlers an opportunity to compete in the York County Youth Wrestling League. Being a part of the league, we are able to compete in controlled scrimmages against other teams in the league. Your child will wrestle individual bouts that are prearranged by the coaching staff. Wrestlers are matched according to size, age, experience, and ability to ensure a healthy and positive wrestling experience. Our coaching staff is available to assist in understanding the sport of wrestling.
