

SAFESITTER

The Safe Sitter program includes instruction in babysitting skills, techniques in CPR (not full certification but hands on experience, education, and assessment with a manikin), injury prevention and management, sitter safety information, business skills, child care essentials and behavior management. The attendees learn by working in small interactive groups, engaging in role playing, playing games and getting hands-on practice with manikins. The Safe Sitter program is designed for adolescents between the ages of 11 and 14.

There is a limited number of spots available for each class.

The class takes 5 hours (split classes are shorter due to not having a lunch). The cost of the class is \$60 and includes a manual, completion certificate, goodies to start their own babysitting bag, and lots of knowledge.

It is currently offered at the Red Lion Recreation Center at 190 S. Charles Street, Red Lion PA, 17356. Additional locations are available.

Upcoming dates:

January 21st from 6-8 and January 22nd from 10-1230

February 25th and February 26th from 10-1230

March 25th from 6-8 and March 26th from 10-1230
