

Rookie Ball 'Spring Breakout' Camp

Similar to the Rookie Ball Hitting Clinics that we offered this winter and spring, this 10-week, 1-hour per week camp will allow players to 'break out' doors, get outside, and start hitting and fielding and throwing in the weeks leading up to the summer tee-ball and baseball seasons. This camp is designed and planned specifically for our beginner players, those playing at the 8U baseball level who love to play and want to get some extra opportunities and our tee-ballers who want to get their seasons started earlier.

The camp will be run by Red Lion Varsity Baseball Coach Kevin Lawrence and one of his former players, Hunter Smith, who is now a Kindergarten teacher in the Red Lion School District, along with Red Lion High School Baseball players. Mr. Smith will bring the perfect mix of baseball knowledge and the ability to work with our youngest and beginning players. The 10-week camp is created to help players learn and love the game!
