

Invitation to Tour Cabin Creek Water Treatment Plant

The Red Lion Municipal Authority invites its customers, friends, and neighbors to tour the Cabin Creek water treatment plant that supplies drinking water to Red Lion, Dallastown, Yoe, Windsor, and parts of York, Windsor, and Chanceford Townships.

Who: Adults and children (age 6 and above)

What: Adults: tour of water treatment plant

Children: Table-top watershed game (while parents are taking the tour)

When: Saturday, September 17, 2022, 12 noon – 4 pm

Where: Meet at Windsor Church of God parking lot—1125 Manor Road, Windsor, PA 17366

Why: Learn how water from Cabin and Beaver Creeks is turned into clean drinking water.

This activity is part of Watershed Weekend sponsored by the Watershed Alliance of York (watershedallianceofyork.org/events). The purpose of Watershed Weekend is to increase public awareness about the importance of local water sheds to community health, sustainable economies, and the environmental quality of the Chesapeake Bay.
